## BIG CARNIVAL CELEBRATION TALK OF THE COUNTY

**Indications Are That a Tremendous Crowd  
Will Be Here---Plenty of Food  
for All.**

The big carnival celebration that will take place in this city on July 1st, 2d, 3d, and 4th next, is the talk of San Mateo county.

Hundreds who attended the Fourth of July celebration in this city five years ago say they intend being here this year and will induce all their friends to come, too.

The various committees have the arrangements well in hand, the Carnival Queen contest was a financial success, and the local business men have donated money liberally, and nothing will be left undone to make the celebration one of the best that has ever occurred in San Mateo county.

Large carnival posters have been printed and will be distributed all over this county and posted at important locations in San Francisco.

The carnival concessions will consist of all kinds of amusements and riding devices and will be conducted every afternoon and evening during the celebration.

The carnival queen, Miss Leonora Parr, will be crowned and given the golden keys of the city on Monday evening by Mayor F. A. Cunningham, after which a proclamation issued by her will be read. The ceremony will take place on a beautiful throne to be erected at the corner of Grand and Linden avenues.

The first day's festivities will close with a grand ball to be given in Metropolitan Hall in honor of the Queen, Miss Parr, and Goddess of Liberty, Miss Fern Mahoney.

On the 4th the big event will take place.

From the information received at this writing the parade will be an elaborate affair.

The Carnival Queen and Goddess of Liberty will both ride in decorated automobiles.

There will be many fraternal orders with decorated floats in line.

The school children of this city will be one of the features of the parade.

The members of the various fire companies and the two competing baseball teams will also march.

Grand Marshal E. W. Langenbach is now busily engaged in arranging the locations for the different marching bodies and the line of march, and will select a suitable number of aides for the parade during the coming week.

Following the parade patriotic literary exercises will take place.

Hon. Samuel Shortridge of Menlo Park will deliver the oration.

The music will consist of playing by a band and singing by the local school children, who will also have a ceremony of saluting the flag.

Immediately after the exercises a grand barbecue will be held on San Bruno road near the Armour Hotel.

At about 1:30 a race will take place between competing hose cart teams on Linden avenue, between Grand and Commercial.

At 2:30 a lively game of baseball will be played on the new grounds opposite

the Southern Pacific depot between the San Mateo and South San Francisco teams.

The celebration will wind up on the night of the 4th with a grand display of fireworks and an all-night ball under the auspices of the local fire company.

There will be a reduction of passenger rates on the Southern Pacific railroad, and an effort is being made to have the United Railroads run several of its cars from San Francisco and San Mateo direct to this city.

Arrangements have been made so that there will be plenty of food in this city on the 4th. The various local caterers have been urged to have a large supply in their larders and the carnival company will have many lunch counters, and, with the big barbecue, it is believed the estimated attendance of eight or ten thousand people will be amply provided for.

Both halls in Metropolitan building and the large vacant store on Grand avenue, between Linden and Cypress, have been reserved for the use of the various fraternal orders and rest places for women and children.

The city hall will be used as a headquarters for the representatives of the newspapers of San Francisco and San Mateo county and elsewhere.

## RESULT OF THE QUEEN CONTEST

The result of the carnival queen voting contest which closed last Saturday evening in Metropolitan Hall is as follows:

Lenor Parr	94,050
Fern Mahoney	59,641
Edith Bartoli	51,678
Martha Savage	23,59
Corabelle Veit	1633
Florence Robinson	157
Helma Hediund	105

At the close of the counting, Lenor Parr was announced as queen and Fern Mahoney as goddess of liberty.

The contest was a financial success, nearly \$1000 having been received by the contest committee for votes.

Chairman Cunningham of the general committee appointed Mesdames H. G. Plymire (Chairman), J. C. McGovern and W. C. Schneider as a costume committee who went with Misses Parr and Mahoney Thursday morning to select suitable gowns, etc.

At a meeting of the general committee held Tuesday evening, the costume committee was allowed \$200 to provide whatever was necessary for the queen and goddess of liberty.

I wish to announce to the public that I have purchased the cigar stand formerly conducted by F. W. Brown, and will be responsible only for bills contracted by myself. MANUEL MONIZE. South San Francisco, May 24, 1912.

## LOCAL HAPPENINGS TOLD IN BRIEF

The local schools are closed for the summer vacation and will open again on August 12th.

W. H. Coffinberry and wife have returned from a very enjoyable trip to Portland, Oregon.

For Sale—Full grown young giant Pekin ducks. Inquire of Wm. Rehberg, 111 Linden Avenue.

The local school children are being drilled for the parade, saluting the flag and singing on July 4th.

Miss Dora Harder left last Saturday evening for Mill Valley where she is spending a two weeks' vacation.

B. E. Knapp of the Saratoga Rock Crushing Co. of Saratoga, Cal., was in town on Wednesday on business.

Having some leisure time, I can take a few more music scholars in this city. Mrs. J. F. Cullar, San Bruno.

Miss Gertrude Karbe left Sunday for Petaluma where she expects to remain for six weeks for the benefit of her health.

A. A. Whitten and wife and daughter and Mr. and Mrs. R. Harris will drive to Atascadero to-day and return to-morrow.

Mr. and Mrs. J. O. Snyder and Miss Snyder started to-day to drive to Monte Reo in their auto. They expect to return Monday.

This morning it was reported that Dr. J. P. O'Connor's wife's condition was very unfavorable. She has been ill several weeks with heart trouble.

I wish to heartily thank all my friends who worked and voted for me during the carnival queen contest through which I was selected to act as Goddess of Liberty. Fern Mahoney.

Geo. E. Britton has been appointed by the local board of school trustees supervising principal of the local school department and Miss Natalie Hansen has been appointed his assistant.

R. L. Harris and wife, with H. B. Wood and wife and Mrs. A. A. Whitten and daughter Mabel, took a trip to Half Moon Bay in their auto last Sunday where they spent a very pleasant day.

The Grace Guild will meet in Guild Hall at 2 p. m. on Wednesday, June 28th. A cordial invitation is extended by the members to all ladies in the town who would care to take up the work to attend.

The South City Lot Co. reports that it is disposing of Pecks lots rapidly, nearly all of them being sold. They are conveniently located and handy to the big steel plants in the northern part of the city.

The high wireless telegraph towers in this city of the Federal Telegraph Company have been completed. They are to be painted and painters will be given \$12 a day each on account of the danger connected with that class of work.

To-day Miss Mary Farrell and Otto E. Bohn are to be married by Father Cooper at Ocean View. After a few days honeymoon in San Jose they will

## PROCEEDINGS OF THE CITY BOARD OF TRUSTEES

**Movement Started to Increase Liquor License Tax---Ordinance Permitting Boxing Exhibitions Adopted.**

The city board of trustees met last Monday evening in the city hall with all members present.

A communication was received from the Abstract of Title Company of San Mateo county asking that the local tax collector provide rubber stamps and stamp upon all receipts for city tax payments that state and San Mateo county taxes are payable at Redwood City and to furnish the county tax collector with a stamp stating that this city's taxes are payable here.

Upon motion of Trustee McGovern, seconded by Trustee Holston, the communication was referred to Tax Collector Kneese with instructions to obtain the stamps asked for.

A communication was received from the San Mateo County Development Association recommending that aid be given to Prof. Winkler's world's fair band by having it give open-air concerts in this city occasionally during this summer at a cost of \$50 for each concert and that chairs be furnished for which a charge of 10 cents each shall be made for a seat. It is also suggested that a space could be reserved for automobiles at a charge of 50 cents each.

Upon motion of Trustee Hickey, seconded by Trustee McGovern, the communication was accepted and ordered filed, and Clerk Smith requested to inform the development association that the board would do all it could to aid in the matter.

A communication was received from Ex-Trustee M. F. Healy asking if anything had been done by the board in the matter of raising the saloon license tax in this city.

Chairman Cunningham directed Clerk Smith to communicate with Mr. Healy and inform him that nothing had been done by the board in the matter.

Citizen E. E. Cunningham addressed the board and stated that if it intended raising the licenses of liquor dealers in this city it was necessary that some action be taken before July 1st, the beginning of the new fiscal year. The proper way to reduce the number of saloons is to raise the license.

E. I. Woodman thought the matter a serious one, as newcomers to this city had remarked that there were too many saloons in the town, and suggested that the board take some action. If the number of saloons is not reduced one of these days the people of this city will become aroused and vote the town dry.

Trustee Cunningham said he always had favored a higher license and did so now.

Trustee McGovern said there were too many saloons and that a higher license should be charged.

Trustee Hickey also thought there

were too many saloons, but doubted whether a higher license would lessen the number.

Trustee Holston said that the people of Oakdale had voted the town dry on account of the large number of saloons.

Upon motion of Trustee Hickey, seconded by Trustee McGovern, it was decided to have an amendment to the present liquor ordinance drawn providing that on July 1st next permits be issued for six months instead of a year, in order to give liquor dealers several months notice before putting a higher license ordinance into effect on January 1st next.

Superintendent of Streets Kneese reported he had employed men to clean the street gutters and cut weeds along the sidewalks.

Several claims against the city were allowed.

Upon motion of Trustee McGovern, seconded by Trustee Kelley, an ordinance providing an annual license tax of \$600 for Class A boxing or sparring exhibitions and \$20 for Class B, or amateur matches, was adopted.

The vote on the ordinance resulted as follows: Ayes—Trustees Holston, Kelley, McGovern and Cunningham. No—Trustee Hickey, who stated he thought the license tax was not high enough.

Upon motion of Trustee McGovern, seconded by Trustee Holston, an ordinance defining boundary lines and elevations for Baden avenue, between Spruce and Chestnut, was adopted.

Trustee Kelley introduced a resolution adopting plans and specifications for constructing artificial stone sidewalks, concrete curbs and gutters and grading Baden avenue, between Spruce and Chestnut, which was upon motion of Trustee McGovern, seconded by Trustee Hickey, adopted.

Trustee Holston introduced a resolution of intention to make the above named improvements on Baden avenue which was adopted.

Trustee McGovern introduced a resolution ordering work on Miller avenue, between Maple and Chestnut which was, upon motion of Trustee Holston, seconded by Trustee Kelley, adopted.

City Recorder Rehberg reported he had disposed of seven misdemeanor cases during May and had collected \$45.

The board adjourned to meet next Monday night.

For Sale—A snap; 5-room house just being completed, with cement foundation, and lot for \$800; also two lots in good location, \$500 for both; a double lot facing two streets, on San Mateo Avenue, \$675; also single lot on San Mateo avenue, \$450. Apply to L. M. Pfluger, San Bruno. Get off car at San Bruno crossing.

In its salutatory the announcement is made that it "is called into existence to supply a long-felt need of those citizens who reside on the Peninsula from Daly City to San Jose. The Peninsula News is independent and will support for office the best men and women for the people."

BIRTHDAY PARTY  
AND RECEPTION

The residence of Mr. and Mrs. S. Parr in this city last Saturday night was the scene of a jolly time.

That date was a birthday anniversary for Mrs. Parr and several friends were present to celebrate with her that event.

A splendid time was enjoyed by those present and congratulations and many returns of the day were extended to the hostess.

During the evening Miss Leonora Parr received many congratulations on her success in being elected Carnival Queen for the coming celebration in this city and took occasion to sincerely thank all those who voted for her.

## BASEBALL NEWS

South San Francisco intends having a crack baseball team in the field this season. Its first opponents will be the I. X. L. Tamales of San Francisco.

The game will be played to-morrow (Sunday) afternoon at 2:30 o'clock on the new ball grounds across the tracks opposite the Southern Pacific depot.

The only way to have a winning ball team is to have the support of the community. Everybody should turn out to-morrow, help the good cause along and give the boys some encouragement.

Remember the time, 2:30. Place, new grounds across from the Southern Pacific depot.

The local club will play the San Mateos on the afternoon of July 4th.

GRACE EPISCOPAL  
CHURCH SERVICES

Rev. F. H. Church will preach at 10:45 a. m. to-morrow (Sunday) in Grace Episcopal Church corner Grand and Spruce.

Mr. Church will also administer Holy Communion. At 7:45 p. m. Dean J. Wilmer Gresham of the cathedral in San Francisco will preach. All who are not attending services elsewhere are cordially invited to make this their church home, and it is hoped that a special effort will be made to attend the services to-morrow.

## METHODIST CHURCH

Sunday June 23d, 10:30 a. m. Sunday school. Mrs. E. G. Evens, superintendent. 7:30 p. m. Preaching by the pastor M. J. Williams, Subject: "Temptation." All are invited.

LOCAL HAPPENINGS  
TOLD IN BRIEF

Continued from Page 1.

go to housekeeping on Baden avenue where Mr. Bohn has everything in readiness for his bride. Miss Farrell has grown up in this city and her many friends wish them a long and happy life.

On Monday, June 24th, a special train will take delegates to attend the Epworth League Institute to be held at Mount Hermon next week. South San Francisco will send at least four delegates, and possibly more will join the party.

At 6 o'clock p. m. last Monday a little son of Mr. and Mrs. Peter Giffra was struck down on lower Grand Avenue by a horse and run over by a wagon belonging to G. Curusis and received painful injuries about his face and head. At this writing the little boy is getting along nicely.

Douglas Parker, special agent and adjuster for the Phoenix Fire Insurance Company of Hartford, Connecticut, was in this city on Tuesday and appraised the loss caused by the fire on the upper floor of the South City Restaurant building early last Saturday morning at \$50. A Sorensen has been given the contract to repair the damage.

Died—In this city, June 17th, Jeremiah Presley, father of Mrs. A. Lockhart of this city, Mrs. J. Speer of Berkeley and J. A. Presley, aged 83 years 5 months and 24 days, a native of Ireland. Funeral services were held at the chapel of the Truman Undertaking Company in San Francisco on Wednesday last. Interment at Greenlawn cemetery.

Last evening at the grammar school building the graduating eighth grade class presented Geo. E. Britton, principal, with a splendid smoking set in appreciation of his energetic work with their studies. The class gave an amusing and interesting entertainment, consisting of songs, recitations and dialogues, followed by games. Then those present repaired to a room on the upper floor and partook of ice cream and cake. By invitation, the parents and relatives of the graduates were present. Lack of time and space prevents publishing a full account of the affair in this week's issue of The Enterprise.

## FRATERNAL ORDERS

(BY HARRY EDWARDS.)

The unanimity existing in connecting with the fraternal parade on July 4th is a feature to be proud of. One and all are desirous of making the best possible showing. The general committee for the 4th has also been generous, by setting apart \$70 to be used for prizes as follows: \$40 for best float in parade, \$20 for second best, \$10 for third best. Competition will be in order, and the best will win. It is expected that ten to twelve floats will be in the parade, many fraternal orders having promised to be present with us. Some of the local clubs will also put in an appearance. The Fig Leaf Club of San Bruno promises to lead all others in numbers and general appearance. Headquarters will be announced in next week's Enterprise for the various orders. The lodge hall has been kindly donated for the 4th by W. J. Martin, especially for fraternal orders meeting there. Other accommodations will be provided for orders not represented in this city, but all will be taken care of and a never-to-be-forgotten time assured.

This will be a red letter day in local history. Everything is being done to make the day memorable.

The general committee is working as a unit, something doing all the time. The reception to be accorded visitors will not be overlooked. The time, July 1st to 4th, inclusive, but especially the 4th. The place, South San Francisco. The people, the equal of any on earth. The place to celebrate the glorious Fourth.

The handsome country home at Berresford, formerly occupied by Ex-District Attorney Bullock, and purchased recently by Mrs. Richard E. Callahan of San Francisco, was totally destroyed by fire on Thursday, with a loss of more than \$20,000. The origin of the blaze is unknown.

## KEITH-BROWN WEDDING

A very pleasant social event of the season was the nuptials of Dr. Ivan W. Keith of this city and Beulah May Brown of San Francisco on Wednesday evening, June 19th, at the residence of the bride's aunt, the home of Dr. Geo. W. Duncan at 49 Alma avenue, San Francisco.

The ceremony was performed in the presence of a party of relatives and friends by the groom's father, Rev. Elmer G. Keith, pastor of Methodist Church at Los Gatos, but formerly of Epworth Methodist Church, San Francisco.

The wedding march was played by Miss Lois L. Keith, Mary F. Keith acted as flower girl, and Miss Edythe S. Duncan was bridesmaid, while Chas. C. Church had the honor to be best man. The bride was arrayed in a handsome gown and carried a beautiful bouquet consisting of roses, ferns and lilies of the valley.

Some excellent vocal music was furnished by Chas. Church, accompanied by Miss Edythe Duncan.

The following guests were present: Mrs. Belle Duncan, Dr. Geo. W. Duncan, Mrs. Jennie Keith, Lois Keith, Alma Keith, Mary Keith, Edythe Duncan, G. W. C. Duncan, Eleanor Eckley, Geo. Eckley, Mr. and Mrs. J. R. Shields, Katherine E. Keith, Mr. and Mrs. C. W. Johnson, Lillie Talbott, Edward Talbott, M. J. Williams, Dr. E. H. Bryant, Lena Eastlake, Jeneth Church, Stasia Barnes, Ruth Barnes, Freda Lloyd, Lucy Barnes, Chas. Church, Harriet Aster, Marshall Batchelder, Nydia Johnson, Edna Pelri, John M. Jackson, Mrs. J. M. Jackson and Bert C. Owen.

The young couple will make their residence in this city, where Dr. Keith has a growing practice, and an ever increasing circle of friends, who join in happy congratulations, and wish himself and wife a prosperous life in this community.

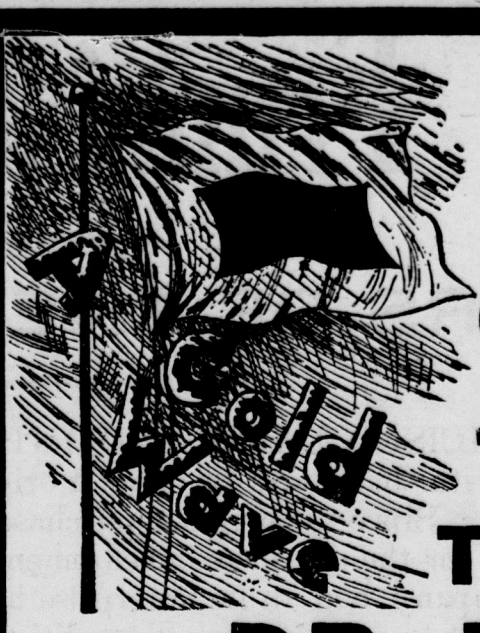

## COUNTY NOTES

A jury on Thursday in Redwood City acquitted John O'Keefe on the charge of murder after being out less than twenty minutes. O'Keefe was charged with the murder of Albert Freeman at Menlo Park last February. His attorneys advanced the plea of self-defense. The shooting followed when Freeman and a crowd of friends tried to enter O'Keefe's saloon after he had refused them admittance. It was proved that O'Keefe and Freeman had had a fierce encounter, during which Freeman shoved a lighted cigar in O'Keefe's eye.

Petitions are being quietly circulated in San Mateo to recall Mayor Maurice Powers and Trustees G. H. Campbell and J. J. O'Brien. The petitions charge that they are "unfit to cope with or properly discharge" their duties, and that they have violated their oaths of office. The petitions also state that the three officials contemplate levying an excessive tax rate; that they have combined against the best interests of the community and ignored the wishes of the majority. The trio voted on Monday night to close a street for E. J. de Sabla that his property might not be divided from a tract he purposes purchasing. This action was taken by them in the face of vigorous protests, and the petitions followed.

The fight which the county has been waging against the hog ranchers for the last year was won last Monday when Superior Judge Buck sustained the decision of the justice's court in prosecuting the hog ranchers under the special county ordinance which District Attorney Swart drew up to include their cases. The hogmen had contended that such a law was illegal. The decision was in the case of John Malasoma. As the ordinance prohibits the raising of hogs in incorporated cities in greater number than four or within 500 feet of a county road in greater number than twenty-five, it practically sounds the death knell to the hog industry in San Mateo county, as the hogmen have declared that it would compel them to go out of business if they had to move to less sparsely populated areas. There are at present about 30,000 hogs involved, representing an investment of nearly \$500,000.

POPULAR MECHANICS  
MAGAZINE FOR JULY

Do dreams "come true?" The slow, strange alchemy of the generations has evolved a race of dreamers having the will to work out, with hand and brain, a new order of ideal but practiced conceptions, and that their dreams are being realized every day of the year the successive numbers of Popular Mechanics Magazine bear ample witness. In the July issue appear 265 articles and 309 illustrations, not only covering the new and unusual in science and mechanics, but also forecasting some of the marvels of an age to come. Among these latter rank Sir William Ramsay's scheme for converting unmined coal into gas. Victor Loughheed's streamline theory discussion; Forest Ray Moulton's exposition of the principle of the cat's ability to turn itself over in midair, and H. H. Windsor's editorial on economically handling the flood problem of the Mississippi Valley.

The "Titanic" disaster, as predicted in the June Popular Mechanics Magazine, resulted in numerous suggestions for promoting safety in ocean travel. Five pages of the July issue are devoted to pictures of various safety devices, more or less practical, but all of them very interesting. "The First American Aero Show" is described, with many illustrations, by James R. Quick, who declares that "real progress in the art of aviation is being worked out in this country by American brains." Wilbur Wright's untimely death is marked by an appropriate memorial page.

Besides the editorial previously referred to, H. H. Windsor discusses the following subjects: Aeroplanes Come High; "Bill to Bombard Berge"; "Senate Committee Report"; "Wireless Needs Men"; "Auxiliary Wireless Power"; "World-Wide Wireless," and "To Please the Public." Other features for July are: "World's Highest-Voltage Transmission Line"; "Acquiring a Motorboat," by George Fitch; "State College Has Poultry Hospital"; "Railway on Which Cars Float Above Rails"; "The Westernization of the Holy Land," by H. J. Shepstone; "Costliest Telephone Ever Built," and "Great Discoveries Due to Happy

Accidents," by G. E. Chamberlain.

The Shop Notes and Amateur Mechanics departments maintain their usual high standard, which rarely fluctuates a degree either way. Every article is clear and concise and adapted to the needs of workmen. Numerous diagrams elucidate the text.

## SAN MATEO MILITARY COMPANY DOES GOOD WORK

After a long march from near Baker's Beach in the Presidio to Third and Townsend streets in San Francisco, the Eleventh Company of the National Guard stepped off the Southern Pacific train Saturday night looking nevertheless like seasoned soldiers. Their two weeks' outing showed its effect in tanned faces and wrinkled uniforms, but the boys were bright and happy and pleased with the remarkable results of their artillery practice. They reported having had their share of big gun practice, having fired a trial shot and three record shots with the regulation projectiles weighing over half a ton and at a target over 6000 yards distant, this in the face of an eighteen-mile wind from the left. Their work at the guns was considered good by the regular army officers in charge. Their record shots were made at a stationary target, but the work was so good that next year they will be permitted to fire at a moving target. This was the first year that moving targets had been used on this coast by the militia for firing service charges, but several companies were given the chance of firing at them and with remarkable results. On the last day one company smashed the moving target at 7000 yards range, and the department having none left had the tug hook onto a stationary target, which is much smaller in size, and pull it along. Before noon the last company to shoot put a projectile through this.

Lieut. McHenry, who was in charge of the signaling, stated that the practice would probably be found to establish a record for the work of the militia in the United States.

To the uninitiated it may seem a simple thing to fire a large cannon at a distance target, but to those who investigate it seems a marvel that the shots strike anywhere near the spot desired. Powder is subject to constant deterioration and what this deterioration amounts to is hard to determine. That used by the local company was made partly in 1902 and partly in 1904. Then the height of the tide affects the matter inasmuch as the location of the gun is figured according to mean low tide. The atmospheric conditions enter into the matter and the direction and velocity of the wind is an important matter. All these things have to be taken into consideration in estimating the elevation at which the gun is placed for firing.

The officers of the local company at camp were Captain F. W. Waggoner and First Lieutenant George E. Duffy. The non-commissioned officers present were First Sergeant R. L. Ross, Quartermaster Sergeant C. N. Kirkbride, Mess Sergeant E. C. Aldwell, Sergeant George E. Jones and Sergeant Harry E. Styles. In the artillery work Captain F. W. Waggoner was battery commander; Lieutenant Duffy, emplacement officer; Sergeant Ross, gun commander; Corporal Ferguson Owen, gun pointer; Sergeant Styles, observer; Sergeant Aldwell, leader, and Sergeant Kirkbride, plotter.

The high school boys who went with the company did good work and held some good positions. Langenbach being range board man in the plotting room, Woodman, range setter on the gun, and Farrar telephone man in the observing station.—San Mateo Leader.

Captain F. W. Waggoner was formerly city engineer and Sergeant Harry E. Styles formerly city attorney in this city. The high school boys, Ernie Langenbach and Herbert Woodman are residents of this city.

## PROCEEDINGS OF SUPERVISORS

The county board of supervisors met in regular session at Redwood City last Monday with all members present.

An invitation received from the California Development Board to attend a good roads conference that is now in session at San Jose was, upon motion of Supervisor Brown, seconded by Supervisor Francis, accepted.

A communication received from the Pacific Exposition Company, inviting members of the board to attend a meeting in San Francisco on Thursday morning to discuss the subject of a state building at the exposition, was, upon motion of Supervisor Casey, seconded by Supervisor Brown, accepted.

A report from Public Administrator Plymire showing the disposition of effects of deceased persons was accepted and ordered filed.

An application for aid for six minor children, received from Mrs. Bollini of this city was sent back to her for correction, as one of the children is 17 years old.

A petition signed by thirty-two citizens of San Bruno, asking that more lights be installed in that lighting district, was received.

Upon motion of Supervisor Casey, seconded by Supervisor Blackburn, the request was granted and the subject matter referred to District Attorney Swart.

Upon motion of Supervisor Francis, seconded by Supervisor Brown, County Auditor Underhill was authorized to employ additional help in his office for two weeks.

Superintendent of Schools Roy Cloud was also authorized to employ help to catalogue 3000 books so as to make them of use to the teachers in the county.

A. Mattson of San Bruno was granted a contract to construct a concrete bridge over Frenchman's creek, at Half Moon Bay, for the sum of \$5275.

George R. Sneath of San Bruno, H. P. Bowie of San Mateo, Dr. C. L. Morgan of Half Moon Bay and James McCormick of Pescadero, recently appointed world's fair commissioners to have charge of the San Mateo county exhibit at the 1915 exposition, appeared before the board and received instructions as to what their duties will be.

The commissioners later retired to a committee room and perfected temporary organization by selecting H. P. Bowie as chairman and Dr. C. L. Morgan as secretary.

In a discussion that followed, participated in by members of the board and commission and several citizens, the unanimous opinion prevailed that the best exhibit would be a headquarters at the exposition grounds where moving pictures of scenes in the county could be shown and from where an automobile service could bring visitors to different sections of this county over good highways which of necessity will have to be built.

In the afternoon, Surveyor Neuman presented an elaborate report of the surveys he had made of highways in different sections of the county.

The total mileage is 119, and the estimated cost will be \$1,156,120. With a tunnel between San Mateo and Half Moon Bay the total cost will reach \$1,355,000.

The cost of making the surveys was \$4992.

The report was accepted subject to changes being made and ordered filed.

The board will meet next Monday to carefully investigate the report, and on Tuesday, June 25th, at 10 a. m., a mass meeting of citizens of the county will be held to discuss the provisions of the report and no doubt subsequent meetings will be held before a bond issue is submitted to the people of the county by the board to be voted upon.

Superintendent Ford of the county farm notified the board that the supply of water at the farm was exhausted and that some action should be taken immediately to supply it.

Upon motion of Supervisor Blackburn, seconded by Supervisor McEvoy, the clerk was directed to advertise for bids to bore an eight-inch test well at the farm, both by the foot and day.

## RAILROAD RATE CASE POSTPONED

The following letter has been sent out from the headquarters of the State Railroad Commission in San Francisco:

"The complaints against the commutation rates on the Peninsula which were to have been heard before the State Railroad Commission on June 18th have been postponed at the request of parties concerned until August 26th. These complaints have come from the San Mateo County Development Association, the Chamber of Commerce of Palo Alto and citizens of San Jose. They called into question the whole schedule of passenger rates between San Francisco and points on the Peninsula as far south as San Jose.

"The hearing will begin at 10:30 o'clock on the morning of August 26th, in the offices of the state board in San Francisco, before Commissioners Eshleman and Loveland."

## EXPLAINS PLAN OF BRIDGE OVER BAY Engineer Rush Shows Model of Section

Allan C. Rush, the engineer who has designed a suspension bridge, which he hopes to construct over the bay from San Francisco to Oakland, showed a model of a section of it to a committee of the San Francisco Board of Supervisors, and told how it was to be built. At each place where a pier is to be erected on the bottom of the bay, he said, a caisson structure weighing 90,000 tons will be sunk, and by means of it the mud will be drawn up until it rests on solid rock. A firm foundation for the piers will thus be obtained.

The frame of the bridge will be so constructed as to be flexible at all parts instead of rigid, and in this respect it will differ from other bridges. It was designed in this way to remove the objection that it might be broken by an earthquake. The piers in the bay are to be 585 feet high from the foundation, and this height will allow a clearance of 185 feet under the bridge for ships. Rush said that if a greater clearance was necessary it could be afforded, but he considered it enough, the clearance of Brooklyn bridge being 143 feet.

Rush said that the plan was to have San Francisco and Oakland furnish the lands required for terminals and approaches, and each of these cities would receive a one-third interest in the bridge. The other third would be held by Rush. To defray the cost of construction, which he estimated at \$26,000,000, bonds would be issued. Rush was confident that all the funds needed would be forthcoming as several parties were willing to finance the enterprise. He figured that the revenue from the bridge would pay the entire cost inside of fifteen years. The terminals as well as the bridge itself would be taken as security for the bonds, and when the bonded indebtedness was paid off San Francisco and Oakland would receive monetary returns out of the bridge revenue.

The bill granting Rush the right to cross the bay and use Goat island has passed the Senate, but has not been voted on in the lower house of Congress. He says that it has the approval of the War Department.

## PRUNE-GROWERS TO GET FIVE-CENT BASIS

At a joint meeting in San Jose of committees representing the Granges and Farmers' Union the prune crop for 1912 was estimated at 90 per cent of that of last year and growers were urged to hold out for a five-cent basis, a record two years ago, in selling to the packers. It was pointed out that the crop in Bosnia will fall short, as will the rest of the European yield. Apricots and peaches will yield only 75 per cent of the crop of 1911, according to those who reported. H. G. Johnson of Fresno, business agent of the Farmers' Union, made an address in which he urged the growers to establish their own packing plants and then sell through only one authorized agent. He said the packer will get the best of the grower until this is done. As a result of the meeting the price of prunes is likely to stiffen, as most of the growers are affiliated with the organizations represented.

OF THE

County of San Mateo

State of California

FOR THE

FISCAL YEAR

1911-1912

Tax Sale to commence  
at 10 a. m. Thursday,  
June 27, 1912

STATE OF CALIFORNIA

County of San Mateo.

NOTICE IS HEREBY GIVEN THAT

default having been made in the payment of

taxes due to the State of California, for

the year 1911-12, upon the personal property

and real estate hereinafter described, I,

A. McSWENEY, Tax Collector of the

County of San Mateo, by virtue of the power

and authority in me vested by law, will, on

the 27th day of June, 1912, at 10 o'clock a.

m., at the office of the Tax Collector of the

County of San Mateo, declared to the

State of California all the property upon

which the taxes of all kinds, penalties and

costs have not been paid; and where real and

personal property are assessed to the same

person, the real personal property as well as

satisfy the tax on personal property as well as

real property, unless prior to such time all

delinquent taxes of every kind, together with

the costs and penalties thereon, shall have

been paid.

IMPORTANT NOTICE—All taxpayers,

whether delinquent or not, should carefully

examine the list of delinquent property

which is being sold, and if they find any

error, they should immediately call on the

Tax Collector, and if they find no error, they

will cause no loss or inconvenience to par-

ties concerned.

CONDITION—A redemption of the prop-

erty sold may be made by the owner or any

party in interest within five years from the

date of sale to the State, or at any time

prior to the entry of sale of said lands, by

the State, in the manner provided in Section

Three Thousand Eight Hundred and Seven

teen of the Political Code.

Dated this 21st day of June, 1912.

**BACK TO TEXAS.**

**W**ISH I could go back to Texas,  
Back where once I used to  
dwell,  
Just to see the good old coun-  
try

And the friends I loved so well;  
Back to Texas and to ranch life,  
Camp again among the hills  
And to ride behind the cattle.  
Fear again the life that thrills;  
Sing with a thousand yells  
I'll trail to Sleepy Hollow  
Or camp out on Howard Wells.  
Or a rope around a yearling,  
Yank his feet clean off the ground;  
Try my luck at riding Pink Eye;  
Break his neck and still be sound;  
Rear the bugle of the stagecoach  
That comes rolling into town  
Just as o'er the azure hillsides  
Good Old Sol is coming down;  
Get a glimpse of dear Ozona  
When the shadows kiss the hills  
And a breath of air so bracing,  
That your sorrow ever stills.  
Back to Texas! No; I'm snowbound.  
City life has got me sure,  
Not me working like a jackass  
Just because there is a lure—  
Lure of wealth and great achievement,  
Lure of competition too.

o I'm in it to my boot tops.  
 Got to stick till dreams come true.  
 ow and then when business slumbers  
 And by luck I've got a chance  
 can draw up by the fire-side,  
 Where your fancies fondly dance,  
 when my heart goes back to Texas,  
 Back to God's own Promised Land.  
 There the love of freedom lingers  
 And the laws of virtue stand.

—John Stone

**MADRIGAL OF SPRINGTIME.**

**MADRIGAL OF SPRINGTIME.**  
 SLEEPER, awake! Close not your eyes!  
 The day her light discloses,  
 And the bright morning doth arise  
 Out of her bed of roses.

EEE, the clear sun, the world's bright  
 eye,  
 at our window peeping.  
 how he blusheth to espy  
 idle wenches sleeping!

HEREFORE, awake! Make haste, I  
say,  
and let us, without staying,  
in our gowns of green so gay  
into the park a-Maying.  
—Thomas Bateson (1604).

**Blooms Under Swiss Snow.**  
The soldanelias of the high Alpine meadows of Switzerland bore their way up through the coating of ice and snow by means of heat generated by growing stem. Quite commonly, if a layer of snow is very thick, the flower will open without ever reaching the surface at all. The blossom is in no way affected by its strange surroundings. The space round the stem, of course, thawed by the growing stem, which gives out heat.—Detroit Press.

**Just a Loan.**  
Don't beg; the world owes you a living," said the prosperous citizen to the mendicant. But he was staggered by the reply:  
"All right, sir; lend me a trifle till I pay you up."—New York Herald.

## ORDINANCE NO. 54.

An Ordinance Providing for Licensing Boxing or Sparring Exhibitions and Regulating the Same and Repealing Ordinance No. 34 of the City of South San Francisco, Entitled "An Ordinance to Provide for Licensing Sparring Exhibitions and Regulating the Same."

The Board of Trustees of the City of South San Francisco do ordain as follows:

Section 1. Every person, firm or corporation, under whose auspices any boxing or sparring exhibition is held in the City of South San Francisco, shall pay to the Tax Collector of the City of South San Francisco an annual license tax of Six Hundred (600) Dollars for a "Class A" license, or an annual license tax of Twenty (20) Dollars for a "Class B" license. The license tax shall be payable in advance.

Section 2. A "Class A" license shall entitle the holder thereof to give or conduct a boxing or sparring exhibition continuing for more than ten (10) rounds. A "Class B" license shall entitle the holder thereof to give or conduct a boxing or sparring exhibition continuing not more than ten (10) rounds. The word "rounds" shall be understood to have the meaning in the customary athletic use of that word.

Section 3. No license holder under the provisions of this ordinance shall be permitted to hold more than one boxing or sparring exhibition in any calendar month.

Section 4. No boxing or sparring exhibition shall be held under any license issued in accordance with the provisions of this ordinance until a special permit has been obtained for such exhibition from the Board of Trustees.

Section 5. All licenses issued under the provisions of this ordinance shall expire on the first day of January next succeeding their date.

Section 6. All boxing or sparring exhibitions shall be conducted under and subject to the control of the City Marshal.

Section 7. Every person engaging as principal in such boxing or sparring exhibitions shall, on the day previous to the holding of said exhibitions, file with the City Marshal of the City of South San Francisco, a certificate from some reputable physician, a certificate that said principal is in good physical health, well trained and capable of enduring the strain of a boxing and sparring exhibition of the kind proposed to be held, describing the same.

Section 8. No boxing or sparring exhibition shall be held in the City of South San Francisco, unless the conditions in this ordinance provided are complied with by the person, firm or corporation under whose auspices the boxing or sparring exhibition is held.

Section 9. No person, firm or corporation conducting or having charge or control of any boxing or sparring exhibition shall allow the number of persons attending any such boxing or sparring exhibition to exceed the seating capacity of the building, hall, room or inclosure where any such boxing or sparring exhibition is being or is about to be held. The City Marshal shall strictly enforce the provisions of this ordinance.

Section 10. If the holder of any "Class B" license permits or allows any boxing or sparring exhibition to continue for more than ten (10) rounds, such license shall forthwith be revoked by the Board of Trustees. Any violation of the provisions of this ordinance by the holder of any license issued under this ordinance shall be sufficient ground for revocation of such license by the Board of Trustees.

Section 11. Any person, firm or corporation violating the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not more than Three Hundred (300) Dollars or by imprisonment not more than three (3) months, or by both such fine and imprisonment.

Section 12. Ordinance No. 34 of the City of South San Francisco entitled "An ordinance to provide for licensing boxing or sparring exhibitions and regulating the same," passed and adopted June 20, 1910, is hereby repealed.

Section 13. This ordinance shall take effect and be in force from and after the date of its passage.

Section 14. This ordinance shall be published once in "The Enterprise," a weekly newspaper printed, published and circulated in the City of South San Francisco.

Introduced this 3rd day of June, 1912.

Passed and adopted as an ordinance of the City of South San Francisco by the Board of Trustees of the City of South San Francisco, this 17th day of June, 1912, by the following vote:

Ayes, Trustees G. W. Holston, J. H. Kelley, J. C. McGovern and F. A. Cunningham.

## ORDINANCE NO. 55.

An Ordinance Defining the Boundaries of Baden Avenue and Establishing Official Elevations on Baden Avenue Between the West Line of Spruce Avenue and the East Line of Chestnut Avenue.

The Board of Trustees of the City of South San Francisco do ordain as follows:

Section 1. The boundary lines of Baden Avenue shall be the boundary lines for the said street or avenue designated and delineated on the Map of South San Francisco, Plat No. 1, filed in the office of the County Recorder of San Mateo County in Redwood City, California, and recorded March 1, 1892, in Map Book No. 2, page 52 of the records of said County.

Section 2. The north curb line of Baden Avenue shall be a line parallel to the north boundary line of Baden Avenue at a distance of twelve (12) feet therefrom; the south curb line of Baden Avenue shall be a line parallel to the south boundary line of Baden Avenue at a distance of twelve (12) feet therefrom.

Section 3. All the official elevations herein mentioned are taken with reference to the City Base and are above the said City Base.

Section 4. The official elevations of the intersection of the east line of Chestnut Avenue with Baden Avenue are hereby fixed as follows: At a point formed by the intersection of the east line of Chestnut Avenue with the north curb line of Baden Avenue fifty-four (54) feet; at a point formed by the intersection of the east line of Chestnut Avenue with the south curb line of Baden Avenue fifty-three and two tenths (53.2) feet.

Section 5. The official elevations of the intersection of the east line of Chestnut Avenue with Baden Avenue are hereby fixed as follows: At a point formed by the intersection of the west line of Chestnut Avenue with the north curb line of Baden Avenue fifty-five (55) feet; at a point formed by the intersection of the west line of Chestnut Avenue with the south curb line of Baden Avenue fifty-four and two tenths (54.2) feet; at a point formed by the intersection of the east line of Eucalyptus Avenue with the south curb

line of Baden Avenue fifty-four and two tenths (54.2) feet. The official elevation of a point in the north curb line of Baden Avenue seven hundred (700) feet east of the east line of Eucalyptus Avenue is fifty-three and six tenths (53.6) feet. The official elevation of a point in the south curb line of Baden Avenue seven hundred (700) feet east of the east line of Eucalyptus Avenue is fifty-three and six tenths (53.6) feet.

Section 6.—The official elevations of the intersection of Orange Avenue and Baden Avenue are hereby fixed as follows: At a point formed by the intersection of the east line of Orange Avenue with the north curb line of Baden Avenue forty-eight and seven tenths (48.7) feet; at a point formed by the intersection of the east line of Orange Avenue with the south curb line of Baden Avenue forty-seven and nine tenths (47.9) feet; at a point formed by the intersection of the west line of Orange Avenue with the north curb line of Baden Avenue forty-nine and one tenth (49.1) feet; at a point formed by the intersection of the west line of Orange Avenue with the south curb line of Baden Avenue forty-eight and three tenths (48.3) feet. The official elevation of a point in the north curb line of Baden Avenue two hundred (200) feet east of the east line of Orange Avenue is sixty-two and five tenths (62.5) feet. The official elevation of a point in the south curb line of Baden Avenue two hundred (200) feet east of the east line of Orange Avenue is sixty-one and five tenths (61.5) feet. The official elevation of a point in the north curb line of Baden Avenue seven hundred and fifty (750) feet east of the east line of Orange Avenue is sixty-three and seventy-five hundredths (63.75) feet.

Section 7.—The official elevations of the intersection of Magnolia Avenue and Baden Avenue are hereby fixed as follows: At a point formed by the intersection of the west line of Magnolia Avenue with the north curb line of Baden Avenue fifty-two and five tenths (52.5) feet; at a point formed by the intersection of the west line of Magnolia Avenue with the south curb line of Baden Avenue fifty-one and seven tenths (51.7) feet; at a point formed by the intersection of the east line of Magnolia Avenue with the north curb line of Baden Avenue fifty-two and five tenths (52.5) feet; at a point formed by the intersection of the east line of Magnolia Avenue with the south curb line of Baden Avenue fifty-one and seven tenths (51.7) feet.

Section 8.—The official elevations of the intersection of the west line of Spruce Avenue and Baden Avenue are hereby fixed as follows: At a point formed by the intersection of the west line of Spruce Avenue with the north curb line of Baden Avenue sixty-five and two tenths (65.2) feet; at a point formed by the intersection of the west line of Spruce Avenue with the south curb line of Baden Avenue sixty-four and two tenths (64.2) feet.

Section 9.—The shape of the cross section and the elevations thereof shall be fixed at the time when the street is improved, depending upon the material used for paving.

Section 10.—The longitudinal slope or grade of the Avenue shall be on straight lines connecting the points where the elevations are fixed as provided by this ordinance.

Section 11.—The grades of the gutters shall be fixed so that the height between the tops of the curbs and the bottoms of the gutters will not exceed one (1) foot.

Section 12.—This ordinance shall be published once in "The Enterprise," a weekly newspaper printed, published and circulated in the City of South San Francisco, and shall take effect and be in force from and after the date of its passage.

Introduced this 3rd day of June, 1912.

Passed and adopted as an ordinance of the City of South San Francisco at a regular meeting of the Board of Trustees of the City of South San Francisco this 17th day of June, 1912, by the following vote:

Ayes—Trustees G. W. Holston, T. L. Hickey, J. C. McGovern and F. A. Cunningham.

## RESOLUTION OF INTENTION NO. 3.

A Resolution of Intention of the Board of Trustees of the City of South San Francisco Declaring Its Intention to Improve Baden Avenue from the West Line of Spruce Avenue to the East Line of Chestnut Avenue.

Resolved by the Board of Trustees of the City of South San Francisco, That public interest and convenience require and that it is the intention of the Board of Trustees of the City of South San Francisco to order the following street work to be done in said city, to-wit:

That that portion of Baden Avenue between the west line of Spruce Avenue and the east line of Chestnut Avenue, including all street intersections, be improved by constructing concrete curbs therein on both sides thereof for the full length as above specified, except where such curbs are already constructed; and by constructing concrete gutters therein on both sides thereof for the full length as above specified, except where such gutters are already constructed; and by filling in earth back of said curbs so as to bring sidewalks between curb and artificial stone sidewalks to official grade; and by grading said avenue for its full width from curb to curb for the full length as above specified, except where such grading has already been done.

All work shall be done in accordance with the special plans and specifications heretofore adopted for doing said work and now on file in the office of the City Clerk.

The Board of Trustees, under the authority conferred upon it by the provisions of that certain act of the Legislature of the State of California, approved April 7th, 1911, and known as the "Improvement Act of 1911," determines and declares that serial bonds shall be issued to represent the cost of said proposed improvements; said bonds shall be serial, extending over a period of nine (9) years from the second day of January next succeeding their date, and shall be issued to represent assessments of Twenty-five (25) Dollars or more remaining unpaid thirty (30) days after the date of the warrant issued to the contractor, or five (5) days after the decision of said Board of Trustees on an appeal; an even annual proportion of the principal sum of each bond shall be payable by coupon on the second day of January of each year after its date until the whole of said bond is paid; and said bonds shall be issued in accordance with the provisions of said "Improvement Act of 1911."

Reference is hereby made to the plans and specifications posted and on file and heretofore adopted for doing said work.

Reference is hereby made to Resolution of Intention No. 2, of said Board of Trustees declaring its intention to order said work to be done for further particulars, which resolution is on file in the office of the City Clerk.

All proposals or bids shall be accompanied by a check payable to the city, certified by a responsible bank for an amount which shall not be less than ten per cent of the aggregate of the proposal, or by a bond for the said amount and two (2) sureties, who shall justify, before any officer competent to administer an oath, in double the said amount, and over and above all statutory exemptions.

Scaled proposals or bids shall be delivered to the City Clerk on or before eight o'clock p. m. of Monday, July 8, 1912, said time being not less than ten days from the time of the first publication and posting of this notice.

WILLIAM J. SMITH,  
City Clerk.

Dated June 17, 1912.

visions of said "Improvement Act of 1911." The "Enterprise," a weekly newspaper printed, published and circulated in said city, is hereby designated as the newspaper in which this Resolution of Intention shall be published, and the City Clerk is hereby directed to cause this Resolution of Intention to be published by two (2) insertions in said newspaper in the manner required by the said "Improvement Act of 1911."

The Superintendent of Streets shall, immediately, cause to be conspicuously posted along the line of said contemplated work and improvement and in front of all the property liable to be assessed, notices of the passage of this Resolution of Intention, in the manner and form required by law.

I hereby certify that the foregoing Resolution of Intention was duly and regularly introduced and adopted by the Board of Trustees of the City of South San Francisco on the 17th day of June, 1912, by the following vote:

Ayes, Trustees G. W. Holston, T. L. Hickey, J. C. McGovern and F. A. Cunningham.  
Noes, Trustees none.  
Absent, Trustees none.

Attest: WILLIAM J. SMITH,  
(Seal) City Clerk.

## NOTICE INVITING SEALED PROPOSALS.

Pursuant to the Statute and to the Resolution of the Board of Trustees of the City of South San Francisco, directing this notice, said Board of Trustees hereby invites sealed proposals or bids for doing the following work in said city, to-wit:

That that portion of Miller Avenue between the west line of Maple Avenue and the east line of Chestnut Avenue, including all street intersections, be improved by constructing concrete curbs therein on both sides thereof, and for the full length as above specified, except where such curbs are already constructed; and by constructing concrete gutters therein on both sides thereof and for the full length as above specified, excepting, however, that portion of said Miller Avenue included between a certain line drawn through a point in the center line of said avenue, and at right angles to said center line, two hundred (200) feet east of the east line of Eucalyptus Avenue; and a certain line similarly drawn through a point in the center line of said avenue five hundred (500) feet west of the west line of Eucalyptus Avenue; and by constructing artificial stone sidewalks therein on both sides thereof having a width of five (5) feet commencing two (2) feet from the property or boundary line and extending five (5) feet towards the curb line, for the full length as above specified, excepting where such sidewalks are already constructed; and by filling in earth back of said curbs so as to bring sidewalks between curb and artificial stone sidewalks to official grade; and by grading said avenue for its full width from curb to curb for the full length as above specified, so as to bring the surface of said avenue to official grade, except where such grading has already been done.

The Board of Trustees, under the authority conferred upon it by the provisions of that certain act of the Legislature of the State of California, approved April 7th, 1911, and known as the "Improvement Act of 1911," determines and declares that serial bonds shall be issued to represent the cost of said proposed improvements; said bonds shall be serial, extending over a period of nine (9) years from the second day of January next succeeding their date, and shall be issued to represent assessments of Twenty-five (25) Dollars or more remaining unpaid thirty (30) days after the date of the warrant issued to the contractor, or five (5) days after the decision of said Board of Trustees on an appeal; an even annual proportion of the principal sum of each bond shall be payable by coupon on the second day of January of each year after its date until the whole of said bond is paid; and said bonds shall be issued in accordance with the provisions of said "Improvement Act of 1911."

Reference is hereby made to the plans and specifications posted and on file and heretofore adopted for doing said work.

Reference is hereby made to Resolution of Intention No. 2, of said Board of Trustees declaring its intention to order said work to be done for further particulars, which resolution is on file in the office of the City Clerk.

All proposals or bids shall be accompanied by a check payable to the city, certified by a responsible bank for an amount which shall not be less than ten per cent of the aggregate of the proposal, or by a bond for the said amount and two (2) sureties, who shall justify, before any officer competent to administer an oath, in double the said amount, and over and above all statutory exemptions.

Scaled proposals or bids shall be delivered to the City Clerk on or before eight o'clock p. m. of Monday, July 8, 1912, said time being not less than ten days from the time of the first publication and posting of this notice.

WILLIAM J. SMITH,  
City Clerk.

The annual Sunday school picnic of the San Bruno Methodist Church last Wednesday was a great success. The weather was good, and the attendance all that could be desired. A carryall conveyed the jolly crowd to Crystal Springs canyon, but the San Bruno flute and drum corps, under the direction of its leader, Mr. Dickson, walked up to the lake. The children were entertained by swings and games. At noon all had a hearty appetite for the bountiful supply of good things. In the afternoon attendance was increased by the arrival of reinforcements, and everything contributed to a splendid good time.

## MURDERER CHOOSES DEATH BY SHOOTING

### To Be First Execution Under Nevada's New Law

Andriji Mircovich, the first man to be convicted of murder since the recent statute went into effect in the State of Nevada, giving a condemned man the choice of death by hanging or shooting, selected death by shooting, when he appeared before Judge Mark Averill of Tonopah for sentence for the murder of John Gregory, a business man and one of the oldest Odd Fellows in Nevada.

Mircovich will be strapped to a chair in the prison yard, August 23d, blindfolded, and six prison guards, standing behind a curtain, will fire at a target placed over the man's heart. Five rifles will be loaded with ball cartridges and one will be loaded with a blank cartridge. The rifles will be shuffled, and no man will know whether he fired the fatal shot or the blank cartridge.

## FRUIT MEN WIN PARTIAL VICTORY

### Rate on Deciduous Product Is Not Advanced Heavily

California dried fruit shippers have partially won their fight against the heavy advances in deciduous fruit shipments to European ports, planned by the West Indies Conference lines.

It was planned by the West Indies Conference lines to advance the rate on fruits, dried, in boxes or barrels, from 65 shillings to 100 shillings, an advance of 35 shillings. Instead the rate goes up to 75 shillings. Had the first proposed advance been put into effect it would have practically destroyed the European markets for California fruit growers, as it was considered prohibitive and it was not felt that the European markets would countenance an advance in price that would correspond with the rate increase. The charges on dried fruits are the only ones decided upon by the Conference lines. They have proposed big increases on wine, canned goods, honey and other products for which California has won a name among other states and the objections to these advances will be heard at a meeting of the steamship officials in Liverpool July 12th, 13th and 14th, according to advices received in San Francisco.

The new rates on fruit, which will be protected for the fall trade, are applicable from all Pacific Coast ports to the European markets at Liverpool, Antwerp, Bremen, London, Havre and other ports.

Oranges in China sell at less than 70 cents a hundred.

Perhaps the most extensive and elaborate water pageant and carnival ever attempted on the Pacific Coast has been planned by Fred Swanton, for the summer resort city of Santa Cruz, commencing Saturday July 20th and ending in a blaze of fire works on Sunday, July 28th. Ever since the Casino at Santa Cruz closed last fall, Swanton has been at work on his idea, with the result that all arrangements have been completed for a truly remarkable nine-day festival, at the popular watering place.

Among the hundred features which have been prepared in order that the water pageant may go down in history as a remarkable success, are the following: A yacht regatta to which all of the yacht clubs of the Pacific Coast have been invited and which will be held under the auspices of the Corinthian Yacht Club of San Francisco; a series of motor-boat races on San Lorenzo river, along which reviewing stations garnered with flowers and flags are now in process of construction; parades of decorated floats, corresponding to those used in New Orleans at Mardi Gras time; shell and small boat races; swimming contests and nightly displays of fireworks and flambeaus.

The presence, during the festivities, of several of the largest and finest vessels in the Pacific squadron, has been assured. In addition, there will be the usual opportunities for unsurpassed surf bathing, dancing every evening in the Casino, side-trips to the Big Trees and through the wonderful canyon connecting Santa Cruz with the Big Basin country, and other features.

The large and beautiful Hotel Casa del Rey, recently completed at an expenditure of a tremendous amount of money and energy will take care of part of the immense crowd which promises to assemble at Santa Cruz during the nine days of the water pageant. The management of the big hostelry has assured the public that there will be no advance over their regular rates, which are unusually moderate considering the fact that every room in the immense building is an outside room and is flooded with daily sunshine. The Casa del Rey will accept advanced reservations from this date until the opening of the carnival. In addition to the accommodations offered by this hotel, the Tent City at Santa Cruz is now in full bloom and there are many other, though smaller hotels and boarding places which afford comfortable lodging for a vast host.

The Southern Pacific Company, which maintains a fast and superior service between San Francisco, Los Angeles and tributary points to Santa Cruz, is arranging to make especially low rate to the Surf City and return, for the period of July 20th and ending July 28th.

More than 12,000 sacks of onions have been shipped from Stockton during the past week. Red onions sold for 25 cents a sack.

Not knowing the results of taking cherries and milk at the same time, Mary Margaret Crosby of Berkeley partook heartily of the foods, and ten hours later suffered acute indigestion, which resulted in immediate death.

The Droege mine boarding-house and bunkhouse were burned a few days ago. Ten men were saved from death in the tunnel by a heroic fight which saved the timbering at the mouth of the drift. The loss is \$11,000.

The Interstate Commerce Commission has decided that California lumber companies are entitled to railroad through routes and joint rates on carload lots from McCloud, Cal., to the Eastern destinations to which the Pacific Coast group rates apply.

The price of gas, now 80 cents, is to be cut to 75 cents per 1000 cubic feet in San Francisco. The electric light rates, which are graded in accordance with the amount of current consumed are trimmed so as to bring about an average reduction of 20 per cent.

Zollie Clements, confessed slayer of five men, who was convicted of murdering William H. Newman, a Stockton saloon man, on January 14th last, was sentenced to Folsom for life by Judge C. W. Norton. It required just four minutes for the Court to pronounce judgment.

More than 200 keys, many of them bearing the mark of a Long Beach hotel, were found by a grocery clerk in an empty box on the sidewalk at Petaluma. The police, who have communicated with the Long Beach police, believe the keys were collected by yeggmen and abandoned.

The Municipal Affairs Committee of the San Francisco Chamber of Commerce, having called to the attention of Chief of Police D. A. White the increasing number of persons engaged in selling lottery tickets, was assured by Chief White that every effort would be made by the Police Department to suppress the nuisance.

Among the rumors rife in political and women's club circles of Oakland is that there will be a woman candidate in the field for one of the commissionerships at the recall election. The women have been devoting much time to the study of political problems, and it is stated that they are anxious to try their wings and take a hand in the city government.

Judge W. M. Conley at San Francisco decided that neither Jessie V. Leek nor her husband, Dr. George W. Leek, was entitled to a divorce, and accordingly dismissed the action. The reason for the denial of the divorce was the confused character of the testimony and the fact that under the law no decree can be granted if there is a balance of evidence which seems to show that both parties are guilty if either is.

The citizens' committee that is working in conjunction with the State Agricultural Society to make the 1912 State Fair in Sacramento next September the greatest in the history of the State has run up against a snag. Success of the fair depends upon a Sunday programme. The Sacramento Ministerial Association has adopted a

motion declaring the association unreservedly against the holding of a State Fair programme on Sunday.

Three men were instantly killed and more than a dozen injured, some of them seriously, by the premature explosion of six pounds of dynamite in the Clearwater tunnel of the Los Angeles aqueduct near Saugus, thirty-three miles north of Los Angeles. The killed were: Norman Stoble, shift boss, Globe, Ariz.; Thomas O'Donnell, tool nipper, San Bernardino, Cal., and Edward Garside, motorman, on a rock train, Globe, Ariz. The bodies of the first two were recovered, badly mangled. Garside's body is still under the debris. Of the twenty men at work in the tunnel but one or two escaped injury of some kind.

United States Appraiser John C. Mattos Jr. has suspended Edward Turner from duty pending the decision of the Treasury Department upon the charges made against Turner of having borrowed money from Japanese importers and customs brokers while he was acting as examiner of merchandise in the Appraisers' department, San Francisco. It is considered a very serious matter for a customs employee, especially an examiner of merchandise, to accept loans from persons doing business with the Customhouse. Turner stated in his defense that he had sickness in his family and that he was therefore urged by necessity to borrow money.

The strike of the journeymen bakers of San Francisco is ended. The Bakers and Confectioners' Union, No. 24, called off the strike after an all-night session in the Building Trades Auditorium. The strike was ordered thirty-five days ago, when the union demanded that its label be attached to each loaf, irrespective of the desire of patrons, and other changes, to some of which the master bakers objected. The Master Bakers' Association objected to the compulsory use of the label without consulting the wishes of patrons, and submitted a compromise proposition. The union agreed to a truce, calling off its pickets and permitting members to resume work several days ago pending negotiations. The union after several meetings accepted the compromise of the master bakers.

Officials of both the National and American Leagues have begun an investigation of charges that members of the New York and Brooklyn teams have been playing Sunday baseball in New York in semi-professional teams under assumed names. It is alleged that from \$100 to \$250 is regularly paid to the big league stars for this service by semi-professional teams there and in suburban towns. On several occasions, it is said, various pitchers on the payrolls of the New York major league clubs have worked on Sundays for as much as \$250, only to fail utterly when called upon to enter the box the next day by their regular employers.

The Interstate Commerce Commission at Washington, upon its own initiative, ordered an investigation into the rates, practices and regulations which apply to railroad transportation of hard coal. All the anthracite roads embraced in the so-called "hard coal trust" will be respondents in the proceedings.

## PANAMA EXPOSITION NEWS

Other foreign governments that have already announced their intention of participating are: Japan, Costa Rica, Hayti, Guatemala, Salvador, Panama, Honduras and Mexico. Unofficial advices have been received that England, Germany, Spain, Switzerland, Denmark and Italy have promised to make a splendid participation in the coming exposition.

For ten days from August 4th to 14th, if the Panama-Pacific International Exposition authorities have their way, San Francisco will be the mecca for the most distinguished gathering of writers ever brought together at one time and for one purpose.

That the military display of the 1915 Universal Exposition at San Francisco will be one of its great features is evidenced by the interest the United States Government and the various States are taking in arranging for the encampment of their soldiery on the exposition grounds.

It is the intention of the Greeks of this country to reproduce in white marble on Telegraph Hill, which overlooks San Francisco bay and is adjacent to the exposition site, the famous Parthenon of Athens. Steps with this in view have already been taken by Consul General Richard de Fontana of Greece and he is receiving the co-operation of the exploitation department of the exposition.

It is estimated that the fence that is to enclose the Panama-Pacific Exposition will be two and one-half miles in length. At a meeting of the buildings and grounds committee held a few days ago, it was decided to have it nine feet high and not to permit advertising on it. The Board of Supervisors of the city and county of San Francisco have also been petitioned to close all streets within the exposition site.

Word was received by the Panama-Pacific International Exposition that the three Caravels, the Santa Maria, the Pinta and Nina, which were features of the Columbian Exposition of Chicago in 1893 and which have been in the Lake at Jackson Park, Chicago, are to be repaired and brought to San Francisco by the Knights of Columbus of this country. The Santa Maria is an exact reproduction of the old Spanish vessel which carried Columbus on his tour of discovery in 1492.

The hotel men of San Francisco have pledged themselves to raise one hundred thousand dollars in addition to the one hundred and fifty thousand dollars they have already subscribed in aid of the 1915 World's Fair. San Francisco has twelve hundred and thirty-seven hotels with sixty thousand rooms. Ninety per cent of the hotels are less than four years old and are modern in every respect. Before 1915 the list of hotels and apartment houses will be increased materially.

Representative Kahn's bill giving the Panama-Pacific Exposition Company right of way across Fort Mason military reservation and its "successors or assigns" the right to build and operate a railroad and tunnel across the reservation has passed the House. The bill carried a Senate amendment that the "successors or assigns" of the exposition company may build the road and tunnel, but the construction company must be approved by the Secretary of War. President Taft will sign the bill this week.
